BETTER
21 **HALF** NZ
PINOT NOIR

COLOUR

Bright ruby red.

NOSE

Warm and welcoming, fragrant black berry and dark cherry notes blend with a subtle touch of spice from French oak barrels.

PALATE

The palate is filled with juicy ripe omega plum flavours which sit on a crunchy currant and cranberry base. The tannins are still young but are softening, and these, along with the bright acidity provide great balance and structure to this wine.

WINEMAKING NOTES

The 2021 harvest provided us with low yields of beautiful clean fruit and resulting wines of beautiful flavour, concentration and weight.

This Pinot Noir has been made from fruit grown in Marlborough's Southern Valleys where the north west facing slopes and clay based soils provide us with great conditions for growing this variety.

FOOD MATCH

This Pinot Noir would be an ideal match with medium rare venison backstrap with roasted beets, rocket salad topped with toasted walnuts and a blackberry jus to compliment.

CELLARING

2 - 4 years cellaring in a dark cool environment will reward you well.

WINE ANALYSIS

Alc: 13.9% pH: 3.62 TA: 5.45g/L RS: 1.1g/L
